

Sight Word Activity Ideas:

WORDS (first nine weeks):

I	am
like	on
a	it
the	look
see	at
to	you
and	me
can	in

- word hunts in newspapers or magazines (can highlight the words; only have them look for certain words at a time)
- can make up simple sentences for your child, have them underline/highlight the word in that sentence, and recite it afterwards
- can practice making sight words in different materials like shaving cream, Playdough, etc.
- can write out words in highlighter and have them trace the word three times while saying it orally
- can get foam letters or other type of letter and have them create the sight words while you say them
